BAYES 20
@LUND 15

Welcome to a Mini-conference on Bayesian Methods

What? A half day conference bringing together researchers working with or interested in Bayesian methods. For more information and to register (for free) visit http://www.lucs.lu.se/bayes-at-lund-2015/

Who? Keynote speaker is Mathias Villani from Linköping University who is presenting **Bayesian model inference - why, what and how?**

The contributed talks range from *Bayes from a frequentist point of view* to *Bayesian estimation of the local moose population.*

When? Thuesday the 10th of February, 11.15 - 17.30

Where? Room EC3:108, Ekonomicentrum, Tycho Brahes väg 1, Lund.
